Questions & Answers

Why is the return on investment a \$20 - \$3,205 weekly according to the contract?
Is the GAP \$20 - \$3,205 not so wide a gap?

Remember that your \$1,000 investment is NOT a LOAN made to us which we'll pay back with interest rates income.

It's a partnership investment which is subject to profit-sharing (which is huge) and it's not on an interest rate term of repayment

You hired our consulting department to help you make up to that \$500,000 according to the system at **www.100p1.com or 4000aweek.com**

When you invested \$1,000. We'll recruit 1 - 10 workers for you and we'll pay you a minimum of \$20 a week which is an average of \$2 a week from each of the 10 for you.

As time goes on, your original 1 - 10 sales reps /workers would rise gradually every week, so would your weekly income.

You could get up to the maximum weekly income of as much as \$3,205 weekly after 4 months/16 weeks.

Yes, your \$20 weekly income potential could grow larger to up to \$3,205 weekly

Since this a business partnership investment income and not a LOAN repayment & interest rates income.

Your income is not fixed to remain at only \$20 weekly.

The system allows your income to increase gradually to up to \$3,205 a week.

Since the system is a network marketing MLM, the 1 -10 workers we recruited for you, will recruit their own 1-10 and their own 1 - 10 would recruit their own 1 - 10 and so on

All these recruitment s of new workers from the original 1-10 that we original recruited for you would still remain under you to the 4th MLM level.

If the first 10 that we recruited for you bring in their own 10 each. $10 \times 10 = 100$ workers

This would make it possible for you to have as many as 100 - 10,000 workers under you.
Therefore, if only 10 workers could earn you \$20 weekly, imagine what 2,000 could.

This is how we were able to gradually increase your income from \$20 weekly to up to \$3,205 weekly.

More workers would mean more money for you, we did not lock your income/return on investment to remain at \$20 weekly only. No, we allow it to grow.
This is not a Bank interest rates Loan

Invest \$1,000. Get back \$20 - \$3,205 weekly for 156 weeks.
Total: \$3,120 - \$500,000

Use the Contract below to sign-up & fax it to us a.s.a.p. Secure a contract now
